

ATTENTION ALL CLUB MEMBERS

Ladies/Girls Football Injury Fund Scheme

Club Membership Fees must be paid within relevant requested time-frame for the Claimant to be eligible for cover under the Ladies Gaelic Injury Scheme

Claims Procedure:

All Injury Forms need to be fully completed before they reach the Dublin Ladies Gaelic Football Association. Please note the following points that continue to raise issues:

1. The Preliminary Form the signature of player, (also parent if player is underage), Club Secretary and County Secretary are needed. For the full Claim Form the signature of player, (also parent if player is underage), Team Trainer, Club Secretary and County Secretary are needed.
2. Forms should be posted or hand delivered to Secretary of the Dublin Ladies Gaelic Football - Le Cheile Community Centre, Donnycarney, Dublin 5. For the County Secretary signature.
3. A fully completed Preliminary Form must be received by Croke Park within **8 weeks** of the injury- I strongly recommend that forms are submitted within 4 weeks and that this becomes the norm in your club. Late forms will not be accepted by Croke Park.
4. When submitting the Full Claim Form all claims need to be based on original receipts, the Association will not deal with bills/invoices.
5. **Most treatments need prior permission from the coordinator in order to be covered by the injury fund. Make sure anybody from your club submitting a Preliminary Form is aware of this. Private Treatment is Excluded.**
6. **It is now a requirement that all Minors wear a Gum Shield whilst training/playing matches**

All Claim Forms can be downloaded on the following website links:
